*Attorneys for Internet Brands, Inc.*

**UNITED STATES BANKRUPTCY COURT  
SOUTHERN DISTRICT OF NEW YORK**

In re

General Motors Corp., *et al.*,

Debtors.

Chapter 11

Case No. 09-50026 (REG)

(Jointly Administered)

**LIMITED OBJECTION OF INTERNET BRANDS, INC. TO DEBTORS' NOTICE OF  
INTENT TO ASSUME AND ASSIGN CERTAIN EXECUTORY CONTRACTS,  
UNEXPIRED LEASES OF PERSONAL PROPERTY, AND UNEXPIRED LEASES OF  
NONRESIDENTIAL PROPERTY**

Internet Brands, Inc. ("Internet Brands"), by and through its undersigned counsel, for its objection (the "Cure Objection") to the proposed cure amount ("Cure Amount") listed on Debtors' Contract Notices website (the "Website") pursuant to this Court's Sale Procedures Order and paragraph A of the Assumption and Assignment Notice respectfully represents:

1. On June 1, 2009 (the "Petition Date"), the Debtors filed their voluntary petition for relief in this Court under Chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the "Bankruptcy Code").

2. Prior to the Petition Date, Internet Brands entered into various contracts, purchase orders, and agreements whereby Internet Brands would provide goods and services in exchange for timely payments of same by Debtors (collectively, the "Contracts").

3. Pursuant to the Sale Procedures Order, the Debtors delivered its Assumption and Assignment Notice dated June 5, 2009 which included instructions to access the Website on which Internet Brands could view a listing of those executory contracts Debtors may seek to assume and assign in connection with the sale of substantially all of its assets, and by its calculations, any corresponding proposed Cure Amount in connection with such contract or leases.

4. At the time this Cure Objection was filed, the Website identified Contracts the Debtors may seek to assume and assign in connection with the sale of substantially all of its assets. To date, although the Website states that Debtors will assume Internet Brands' Contracts, it does not provide a Cure Amount owed to Internet Brands.

5. Internet Brands does not object to the assumption and assignment of its Contracts *per se* and has begun, or is prepared to begin, its efforts to reach a consensual resolution of the Cure Amount with Debtors. However, as the Cure Amount has not yet been resolved, Internet Brands, for purposes of preserving its objection rights as to the proposed Cure Amount, makes this Cure Objection pursuant to paragraph 8 of the Assumption and Assignment Notice.

**Limited Objection to Proposed Cure Amount**

6. Internet Brands objects to the proposed Cure Amount listed on the Website at the time this Cure Objection was filed as it does not fully cure and compensate Internet Brands for Debtors' default(s). According to Internet Brands' books and records, the correct Cure Amount for those Contracts listed on the Website, is approximately \$116,511.63.

7. Internet Brands reserves its right to amend or supplement this objection if, for example, Debtors seek to assume and assign additional Contracts after the Objection Deadline or if there are additional Cure Amounts relating to defaults under the Contracts that occur or continue to occur after the Petition Date. Further, by filing this Cure Objection, except to the extent governed by a Trade Agreement executed prior to the Objection Deadline, Internet Brands does not waive any other rights, claims, or interests it has or may have under the Contracts as provided by the Contracts or as a matter of non-bankruptcy law, all of which are expressly preserved.

WHEREFORE, Internet Brands respectfully requests that the Court (a) condition any assumption and assignment of the Contracts on (i) the payment in full for all outstanding amount(s) due to Internet Brands under the Contracts in compliance with section 365 of the Bankruptcy Code and (ii) compliance with any other applicable law and (b) grant such other and further relief as the Court deems just and proper.
